

VHP Announces Nation-wide 'Hindu Roti Bachao' **Agitation Against Muslim Reservations**

Demands Immediate Withdrawal of 4.5% Muslim quota within OBC's 27%

Hydrabad, Jan 7, 2012

Claiming that govt of India's hurried move to give 4.5% quota to Muslims from the poor OBC (Other Backward Classes) 27% reservations is a blatant violation of Bharat's Constitution & is aimed at destroying Majority's democratic rights, Dr Pravin Togadia, International Working President of VHP announced a nation-wide peaceful & democratic Agitation with immediate effect. This agitation will be called 'Hindu Roti Bachao Andolan' (Save Hindu Roti Agitation).

Today for electoral politics Govt has bent before Muslims who do not follow basic family planning norm which is compulsory for Hindus. By giving 4.5% quota to Muslims within 27% reservations meant for poor OBCs, Govt has snatched educational seats, jobs, bank loans & other facilities which were meant entirely for the real deserving OBCs. It will stop here. It will lead to giving quota to Muslims & Christians from extremely backward Scheduled Castes. Reservations meant for Scheduled Tribes are already being grabbed by Christians. Foe vote bank, this will go up to constitutional amendment to give separate reservations to Muslims because Bharat's constitution does not permit religion-based reservations.

1 VHP demands immediate withdrawal of any quota given to Muslims & Christians from any existing reservations meant for OBCs, SCs, STs & NTs. VHP also warns govt not to snatch educational seats, jobs, bank loans etc either of these poor or of Hindus from open merit category.

2 VHP demands that Govt should reject biased report of Rangnath Mishra and Sachhar committee

3. Govt should promise that they will NOT include Christian and Muslim in SC reservation.

4. Govt should promise that they will NOT include Christian and Muslim in ST reservation and Christian should be delisted from ST reservation who are already in ST.

5. Govt should promise that They will NOT give reservation based on Religion.

6. Muslim so called some caste included in OBC since Mandal report should be delisted from OBC. Islam does NOT have caste, why certain so called caste of Muslim in OBC reservation?

7. Immediately withdraw 4,5% Muslim reservation and Give 27% total reservation to Hindu OBC.

VHP announces that the HRBA (Hindu Roti Bachao Andolan) will continue until all such reservations are immediately withdrawn & until the Govt apologizes to Bharat for such a blatant anti constitutional move hurting Hindus immensely.

VHP also warns that those who demand, support, propagate & give such reservations to Muslims & Christians will have to face the democratic wrath of the majority Hindus in the upcoming elections. VHP also demands a criminal case of Treason on all such people who demand, support, propagate & give religion – based reservations as this very act is unconstitutional.

Dr Togadia appeals to all Hindus to stand united as ONE irrespective of caste, region, language etc against such a dangerous move that can wipe out Hindus & democracy from Bharat. He also appeals all Hindus to support the 'Hindu Roti Bachao Agitation' nationally & internationally.
